Exciting news for the 2017 Fall Conference!

CIPCA has secured a prime location for the conference at the Ameristar Hotel and Casino in Black Hawk, Colorado. This year, members will be encouraged to invite representatives from permitted industries as the conference is being split to provide training for industrial users. Split conferences with training opportunities for industrial users has been well received in the past and is back by popular demand from the CIPCA general membership.

Feedback from previous conferences has encouraged CIPCA to consider hosting the conference on a Friday. Therefore, we are excited to announce that this year's is being held conference on Friday, October 13th. The Ameristar Hotel and Casino is also offering a limited number of rooms with reduced rates for Thursday and Friday. This means you can stay at the Ameristar for cheaper than ever before!

Please look for further announcements for the 2017 Fall Conference as they become available.
